

Volunteering

Want to give back to your local community? Interested in getting involved in a caring and vibrant centre? Sounds like you could be the volunteer we are looking for.

KTCC's Older People's Project is currently looking for Saturday volunteers.

KTCC is launching the Older Person's Project in January 2019 and needs some volunteers to help out between 12-4pm on Saturdays.

You would be providing a vital service to our older community members by serving lunch, keeping everyone topped up with teas and coffees, generally helping out, as well as providing a friendly ear and some welcome company to our residents. You would also get to be part of our fun Saturday activities which vary from week to week.

To find out more about the project please go to the project webpage -

So if you have a few hours spare on Saturdays and would like to get involved, please drop an email to Lisa Gregory at projects@ktcc.org.uk and tell us why you think you could be the volunteer we are looking for.

Have a special talent that you would like to share? Want to try out a new act or just looking to gain experience with a fun loving audience?

KTCC are currently looking for entertainers, artists and activity leaders to run "one off" sessions for our Older Person's Project. Whether it is cake decorating, singing or leading a dance group we want to hear from you. Anything goes.

You would only need to give a few hours of your time on a Saturday afternoon to a very well deserving and friendly audience of our community members.

To apply or for more information, please send an email to Lisa Gregory at projects@ktcc.org.uk and tell us about what you can do.
